

KeySecure View

A range of customizable cabinets that provide simple yet effective key storage and management.

The KeySecure View range of cabinets incorporate a clear Perspex viewing panel within the cabinet door. This allows users to easily monitor the usage of keys without the need to open the cabinet.

- Clear Perspex viewing panel
- Removable control index
- Authorized access 24 hours a day
- No overhanging of keys / padlocks
- Steel square-bodied construction
- Durable powder coated finish
- Adjustable color coded and numbered hook bars
- Color coded and numbered keyrings

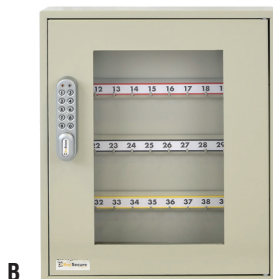

1 CHOOSE CABINET CAPACITY

Determine how many keys you will need to store at present and allow for future expansion. This number determines the recommended size of your cabinet. Custom orders can be accommodated, please contact us for more information.

All cabinets have a portable handle option

2 CHOOSE YOUR LOCKING DEVICE

The KeySecure View range of cabinets offer a choice of KitLock locking options. The option to use smart card access as an alternative to codes is also available.
